IT'S THOUGHTFUL. IT'S **Rustomjee®**

Design Thinking #512

NO ONE
SHOULD HAVE
TO LEAVE
HOME,
TO HAVE THE
BEST DAY
EVER.

We're putting weekends back into the work week. With Rustomjee Aden in the bustling neighbourhood of Bandra East, hours wasted in traffic become distant memories of a life long ago. Where returning home means a refreshing dip or a relaxing holiday read. And nights out include sampling the city's finest restaurants and meeting friends and loved ones. The hours taken from your commute can be added to perfect your backstroke and headstand. With each amenity we hope to mould a new facet of your life so that you discover something our Rustomjee residents found out long ago – rest is more.

Design Thinking #515

A HOME SHOULD BE YOUR
SHORTCUT TO EVERYTHING
YOU WANT IN LIFE.

An address in close proximity to BKC means you can live a life of shorter commutes to work or school and more time spent enjoying all that the maximum city has to offer. So whether it's after work get-togethers, long, lazy weekend brunches or some mood-boosting retail therapy, Rustomjee Aden puts you minutes away from it all. And gives you the ideal distance from life as usual.

A LOCATION CAN
TRANSFORM INTO A
COVETED DESTINATION
ONE LANDMARK
AT A TIME.

Rustomjee Seasons and Rustomjee Oriana marked the transformation of Bandra East. By introducing the vicinity to a life beyond square feet, these two successful redevelopment projects offered spaces where business people could exchange their power suits for swimsuits, where neighbours would become family and where home was another word for a getaway from the demands of the city. In a neighbourhood that has grown to offer distractions and entertainment that make stepping out as enchanting as coming home. This is where we bring you yet another landmark addition to Bandra East's skyline and lifestyle
– Rustomjee Aden.

AND FUTURE.

At Rustomjee, life and all it has to offer is the inspiration behind our designs. Through our ideas we transform houses into homes and offices into innovation centers. Through planning and foresight we shape lifestyle solutions to give our customers a life not lived in square feet.

Since our inception in 1996, Rustomjee has heralded the rise of insightful design and eco-friendly construction technologies. Through our commitment to excellence we have converted countless square feet into gated communities, premium townships, standalone landmarks and commercial spaces.
